

PROCEEDINGS OF THE CITY COUNCIL

The City Council met in adjourned session Tuesday night, with his honor, Mayor Grigsby, presiding, and all the Aldermen present.

The revenue budget for the year was passed, fixing the tax rate at \$2.29 on the One Hundred Dollars—the same it has been for the past few years—pro rated as follows: General fund, 50c; Street, 15c; Sanitary, 15c; Sinking, 90c; School, 50c; Advelorum, \$2.20; Poll, \$2.00. One half of the poll tax and privilege taxes is to be placed to the school fund.

Bob Wilson was re-elected night marshal by a unanimous vote, his opponent being W. J. Osborne.

The contract for hauling coal from the railroad to the power plant was let to the lowest bidder, H. H. Self was the successful bidder, his bid being 22c per ton. K. W. Brown, J. F. Coleman and J. L. Parrish each bid 25c per ton.

Alderman Hughes was elected Mayor pro tem by acclamation. After considerable discussion, it was decided to try and operate the water and light plant with just two men—a day man and a night man. Heretofore, three men have been employed, in order to get the electric light lines in good repair. W. H. Adeock and Joe Stacy, the day and night men at the power plant, and night marshal Wilson were given a raise of \$5.00 each per month on their salaries.

Marshal John Sholey's salary was placed at \$80.00 per month, the same as he received the last few months of the previous year. L. Marshall and water and light collector Aldermen Edwards, Harris and Collier contended that Marshal Sholey had more than he could attend to, and thought that in justice to him and the city the third man at the power plant should be kept on and that the water and light collection be done through that department.

A vagrancy ordinance was passed and Marshals Sholey and Wilson given instructions to see that same was properly enforced.

The meeting then adjourned subject to the call of the Mayor.

Prof. J. L. Wyman.

On last Friday morning at his home on the corner of Main Street and Rickert Avenue, Prof. Jacob L. Wyman quietly and peacefully passed away. For several years he had been a sufferer from hay fever, and for several days prior to his death suffered intensely.

Prof. Jacob L. Wyman was the son of Calvin and Mary Brown Wyman; was born in Yarmouth, Nova Scotia, June 30th, 1847; was married to Miss Isabel W. Beedy September 22nd, 1872. To this union was born one son, the late L. B. Wyman, who died here in 1912. Prof. Wyman was the last member of a family of ten children. He left his home in the province of Nova Scotia in June, 1879, going with his wife and son to Minnesota. The climate there, however, being so severe, they came to Tennessee in 1881, and have been a resident of this State since that time. They came to Dickson about thirty years ago and have made their home here ever since.

Prof. Wyman was an accomplished teacher of music, and was a man of whom any town or community might justly be proud. He is survived by his wife, who was careful to see that he was supplied with every care and comfort.

Funeral services were conducted Sunday afternoon at the M. E. Church, South, by Rev. J. T. Blackwood and Archdeacon Clarke, after which his remains were laid to rest in Union Cemetery.

Mrs. W. M. Hugin.

Mrs. W. M. Hugin, aged 68 years, died Wednesday morning, October 11th, 1916, at 8:30 o'clock, in St. Thomas' hospital, Nashville, where she was carried a few days ago for treatment.

She had been sick for several weeks, and everything that medical skill and loving hands could do was done for her, but the fiat of Him who rules our incoming and outgoing had been issued, and the sufferer's spirit took its flight to that home the Christian believes is the fulfillment of the life everlasting.

Her remains were brought here Wednesday afternoon and laid to rest in Union Cemetery Thursday.

She is survived by her husband, W. M. Hugin, and eight children—A. F. Hugin, Mrs. W. R. Liggett, W. W. Hugin, of this place; Mrs. J. T. Sugg, Brentwood; Mrs. T. C. Jordan, Nashville; E. E. Hugin, Louisville, Ky.; Mrs. Jim Hooper, Bellevue, and W. R. Hugin, Montgomery, Ala. Obituary next week.

How Catarrh is Contracted.

Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucus membrane, at first acute, becomes chronic, and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere.—adv.

FIFTH ANNUAL FAIR A GRAND SUCCESS.

The fifth annual Dickson County Fair closed with sufficient funds to meet expenses and pay all premiums in full. While as yet, it is impossible to tell just the amount paid for premiums, but there was several hundred dollars distributed among the citizens of the county.

The exhibits in all departments were fine; while not so large in canned fruits and farm products as usual, the live stock show surpassed any fair yet. The herds of cattle of A. E. Reeves, Geo. Eleaser and H. T. Cowan were of the finest, and the stock altogether represented a value of over \$15,000.00.

The culinary and needle-work departments were full of nice things, which showed conclusively that they were prepared with great skill.

While the attendance was fully up to the average, the gate receipts were not quite up to the estimate, but considering the very low price the tickets were sold at, was satisfactory, and the system under which the Fair was held seemed to be very satisfactory to the masses, and considering under the conditions the Fair was held, it was a grand success, and shows conclusively what Dickson County people can do when they get together on a proposition of this kind.

There are a few premium checks not yet called for, which can be had by calling at The Herald office. There are also some exhibits left which can be had by calling at this office.
